

The Winx-4B is one of the whiteboard solutions for the BalanceBox®650 mounting system. This unique 2-whiteboard, double sided solution can also be retro-fitted to an already installed BalanceBox®650 without removing the touch panel. (please consult our sale support for possibilities and advice)  
The Winx-4B is delivered including the 481A70 Universal VESA Bracket with a VESA pattern up to 800x600. The two fixed size whiteboard frames can be used with screen sizes between 70-75" and 80-86".

The quality enameled steel double-sided pivoting whiteboard surfaces on both sides of the touchscreen are mounted easily and quickly on the BalanceBox®650 height adjustable mount, the fastest height adjustable mount on the market! The high quality whiteboard surfaces allow the use of magnets for posting notes.
